Annually, the National Apprenticeship Competition highlights the talented tradespeople coming up in the UBC in Canada. I'm honoured to gather again to celebrate these future stars in the fields of millwright, drywall, carpentry, floor covering, and scaffolding - this year, in scenic St. John's, Newfoundland and Labrador, a jewel on the East coast of our beautiful country.

Our Canadian Brothers and Sisters continue to inspire and impress each day they work in the field, on jobsites, in their communities; all toward the goal of building our country into something we can be proud of.

I want to take this opportunity to welcome each of our contestants from across the nation who represent the top talents in their fields. I hope this experience invigorates your love for your craft and gives you the motivation to reach the top of your trade. Having made it this far is a massive achievement and you have already demonstrated great skill and ability. For this, I offer my congratulations.

I urge you to relish this occasion, join your fellow apprentices and learn from each other, build life-long relationships, and push each other to showcase the best of your talents. Your hard work is being celebrated this week, regardless of the outcome of the competition. It is an event that few are chosen to experience – enjoy it. I wish all of you the best of luck in the competition and onward.

Finally, I would like to thank all the dedicated volunteers, staff, and contest organizers for making this event happen and Carpenters Local 579 and Millwright Local 1009 for hosting the National Apprenticeship Competition 2023.

Best of luck and congratulations to all.

Chaque année, le Concours national d'apprentissage met en valeur les gens de métier talentueux qui s'appêtent à travailler au sein de l'UBC au Canada. Je suis honoré de me réunir à nouveau pour célébrer ces futures étoiles dans les domaines de la mécanique de chantier, des cloisons sèches, de la charpenterie, des revêtements de sol et de l'échafaudage - cette année, dans la pittoresque ville de St. John's, à Terre-Neuve-et-Labrador, un joyau de la côte est de notre beau pays.

Nos confrères et consœurs canadiens continuent d'inspirer et d'impressionner chaque jour où ils travaillent sur le terrain, sur les chantiers, dans leurs communautés, tout cela dans le but de faire de notre pays un endroit dont nous pouvons être fiers.

Je profite de l'occasion pour souhaiter la bienvenue à chacun de nos concurrents venus de toute la nation et qui représentent les plus grands talents dans leur domaine. J'espère que cette expérience ravivera votre amour pour votre métier et vous donnera la motivation nécessaire pour atteindre le sommet de votre profession. Le fait d'être parvenu jusqu'ici est une réussite énorme et vous avez déjà fait preuve d'une grande habileté et d'une grande capacité. Je vous en félicite.

Je vous invite à profiter de cette occasion, à vous joindre à vos collègues apprentis, à apprendre les uns des autres, à construire des relations durables et à vous pousser mutuellement à montrer le meilleur de vos talents. Votre travail acharné est célébré cette semaine, quelle que soit l'issue du concours. C'est un événement que peu de gens ont la chance de vivre, profitez-en. Je vous souhaite à tous bonne chance pour le concours et pour la suite.

Enfin, j'aimerais remercier tous les bénévoles dévoués, le personnel et les organisateurs du concours pour avoir rendu cet événement possible, ainsi que les sections locales 579 des charpentiers et 1009 des mécaniciens-monteurs pour avoir accueilli le Concours national d'apprentissage 2023.

Bonne chance et félicitations à tous.

Brothers and Sisters,

On behalf of the Atlantic Canada Regional Council of Carpenters, Millwrights and Allied Workers, I would like to extend a heartfelt welcome to all participants of the 2023 National Apprenticeship Contest in Paradise, Newfoundland and Labrador.

United Brotherhood of Carpenters and Joiners of America has contributed greatly to the development of our industry's experts and future leaders. This is evident with the number of apprentices who demonstrate such leadership, commitment and skills as our competitors do this year. You are the best of the best in our industry - skilled, productive, well trained and reliable. These are the expectations of our industry and each of you, demonstrate these values in excess.

As your host for this year's competition, I hope you enjoy the east coast hospitality and take the time to experience some of what Newfoundland and Labrador has to offer.

Congratulations on your accomplishments and good luck in the competition!

In Solidarity,

A Message from the Mayor

On behalf of Council, it is my pleasure to welcome you to the 29th National Apprenticeship Competition hosted by the United Brotherhood of Carpenters Canadian District in partnership with the Carpenter Millwright College June 9-10th 2023.

St. John's is an exciting city with many wonderful places to eat, shop, relax and explore and it is our hope that you get to experience all that we have to offer while you are here for your competition. From the beautiful downtown to our bustling business centres, St. John's has much to offer visitors. Be sure to take in one of our beautiful and historic parks or museums, visit iconic Signal Hill or take a trip out to Cape Spear or Petty Harbour - there's so much to see and do!

We wish you and the organizers of this event much success and a fun-filled tournament.

Best wishes

Danny Breen
Mayor

ST. JOHN'S

Message from Mayor Dan Bobbett
Town of Paradise
National Apprenticeship Competition

Welcome to the Town of Paradise for the 2023 National Apprenticeship Competition (NAC) at the Carpenter Millwright College. To all the new apprentices competing in the coming days -congratulations! All your training and hard work has led you here to represent your trade and propel you forward as you embark on an exciting career in the construction industry.

As the NAC celebrates nearly three decades of success in fostering the professional development of apprentices entering the workforce, the Town is proud to be the host location to showcase the skills of construction workers on the road to becoming valuable assets to the labour market.

To the partners, judges, volunteers, instructors, and trades professionals representing the five trades in the skills competition, thank you for your resources, time and efforts to make the 29th NAC possible. Your dedication to helping this year's apprentices compete is essential to sustaining the trades industry for years to come.

A sincere thank you to the corporate sponsors for recognizing the importance of supporting new apprentices to hone their skills in the trades, and in turn the next generation of construction workers in the province.

Best of luck to the apprentices participating in the NAC over the coming days and best wishes for success in all of your future endeavours.

Sincerely,
Dan Bobbett, Mayor

WELL TRAINED. WORK READY.

Welcome to CMC NL!

Best of luck to all NAC 2023 Competitors!

welcome to newfoundland and labrador!

Welcome to the newest of Canada's 10 provinces, having joined confederation in only 1949. This beautiful province is made up of two parts; the island of Newfoundland and Labrador, known as the Big Land, which is connected to the Province of Quebec.

Its capital city, St. John's can be found on the east coast of the Island and it is closer to the coast of Ireland than Winnipeg, Manitoba. It is home to Cape Spear, the most easterly point in all of North America. Newfoundland and Labrador has a reputation for being one of the friendliest provinces in Canada. The people here are warm, welcoming and fun loving! Their unique sayings and expressions combined with a quick wit, often creates much confusion and head scratching at times! They are known for their natural creativity, music, unique language, and knack for storytelling.

The heritage of the people stems from English, Irish, French, and Indigenous ancestors and has truly created a culture that's one of a kind. You will find of this expressed not only in the people, but in the rich, colourful environment we have created around us. It is found in our architecture, in our crafts, in the names of our towns, and even in the way we built our roads – it's all a bit off-kilter.

Area 405,212 square km.
Population. (2021) 510,550.

Colourful and Unique dialogue in Newfoundland and Labrador

While you are here, you may find yourself struggling at times to understand what it is people are saying. We have many sayings and expressions only found here and, to make it more challenging some dialects drop the ‘H’ sound and others add an ‘H’ sound to words that start with a vowel. But not to worry we’ve got you covered! We’ve compiled a list of some of the more popular words and phrases you may hear while you’re here. The most important thing to remember is to take it with a grain of salt and have fun!

Popular Sayings and Expressions your might hear while in Newfoundland and Labrador and what it means.

- How’s ya gettin’ on? – How are you?
- ‘ow she gettin on dere cocky - How are you??

CARPENTRY

BRETT CORBY

Local 343 Manitoba

Brett is a 31-year-old carpenter from East St Paul, Manitoba. He's worked as a carpenter since 2017 and in those 6-years, he's worked 3-years in the residential sector, 1 year in a factory setting, and 2 years in the Industrial, Commercial and Independent (ICI) sector. Brett has a passion for Philosophy and Design. His interests include music and upcycling materials. Brett is unique in his ability to simplify and communicate complicated and in-depth concepts. Brett found success working for Local signatory contractors Gibraltar Concrete and Bird Construction.

JAMES HENDRY

Local 785 Ontario

James is always 100% committed to everything he does in life. He is a hard-working carpenter on the jobsite and a dedicated father away from work. James is incredibly grateful for the opportunity to represent his brothers and sisters from Cambridge this week. He is excited to meet fellow apprentices from across the country who share the same passion for their trade and our Union.

MIGUEL LAVOIE-RICARD

Local 761 Quebec

Since the beginning of my apprenticeship, I have been thriving in the residential sector. The energy I require to be successful in construction comes from my passion for any extreme sport you can imagine.

CARPENTRY

CORY ROSS

Local 1325 Alberta

I am originally from Hodgson MB and currently living in Calgary, AB. I am a newly certified Journeyman Carpenter and joined local 1325 in 2006. Here I received my scaffolding ticket in 2008. After years of scaffolding, I started a carpentry apprenticeship in 2018 to expand my knowledge and opportunities. I have been working all over Alberta and Manitoba primarily doing scaffolding with the exception of a couple carpentry jobs building bridges and working for the Calgary Stampede. My hobbies include Hockey, Motorcycles, Archery, Music and Golf. Carpentry will be my 5th career alongside Scaffolding, Physical Therapist, Air Canada Station attendant and Paramedics.

CHANTAL WALTER

Local 1598 British Columbia

Chantal is 30 years old and has spent much of her life growing up in Victoria, BC. Chantal was born in Switzerland and moved to California when she was 3 years old and has lived in Victoria since she was 10. Chantal took a different career path than her family as her father is a biochemist, her mom is a registered nurse, and her younger sister is a lawyer. Chantal joined Local 1598 in 2017 and began her apprenticeship with the Union. Chantal is currently working as a Lead Hand with Farmer Construction Ltd. In her spare time Chantal enjoys crafting and hanging out with her dog.

LIAM WEBBER

Local 1588 Nova Scotia

My name is Liam Webber and I grew up in beautiful Marion Bridge, Cape Breton. I am currently a 4th year apprentice and looking forward to completing my Red Seal Certification very soon. My father has been a Carpenter his entire life and is an inspiration to me everyday. I joined the Carpenter's Union Local 1588 about 3 years ago. Since then, I've been following my apprenticeship pathway while employed with Brilun Construction. I've been enjoying all the work involved and have met many new friends who are happy to share their knowledge and experience with me. I am very excited to be here today representing my hall and all my fellow brothers and sisters.

MILLWRIGHT

JUSTIN BOUGIE

Local 1443 Manitoba

Justin is currently working for Simard Industrial. He works for several sites and will work where called upon. Most recently he has been stationed to the Roquette Pea Plant in Portage La Prairie Manitoba and Koch Fertilizer in Brandon Manitoba. In his down time Justin stays active Kayaking, Hiking, and travelling. His favorite hobby is cooking. Justin spent seven years as sous chef before his career as a union Millwright.

Justin has been involved in his local since he started his apprenticeship in April of 2019. He serves on his Executive board as the Warden, and he is also a shop steward.

BRANDON HUDSON

Local 2736 British Columbia

I grew up on the east coast, a small town in Newfoundland called Flatrock. I've always loved working on things in the shop with my dad and grandfather. After high school I decided to take the millwright foundation course. I knew right away it was the right career path for me. After completing the course, I worked in a sawmill for close to two years. In August of 2018 I decided to move to Kitimat, a small North Coast town in BC. A couple months after moving I joined the Millwrights Union Local 2736 and have had the privilege of working in various industries such as pulp and paper, power generation, aluminum smelters and new construction. Outside of work I love to camp, snowmobile and dirt bike, I find I'm always looking for the next adventure!

MEGAN JOHNSTON

Local 1021 Saskatchewan

I am 38 year old, I grew up on the Mistawasis First Nation, Saskatchewan. At the age of 30 I was given the opportunity to take an introduction to Millwrighting. The program was offered through the Saskatoon Tribal Council. I was chosen after an in person interview. When I had completed the program I was eligible to join Local 1021, which was in 2015. I enjoy spending time with my 3 children. We like to take trips and go camping. I received my Journeyman ticket in 2023. I work in all areas of potash, coal, wind, and canola crushing.

MILLWRIGHT

MICHAEL MASTROMATTEO

Local 1460 Alberta

My name is Michael Mastromatteo, I was born and raised in Edmonton Alberta. I got my journeyman ticket in March. I've done work in mines, fertilizer plants, refineries and power plants doing everything from pumps to conveyors to turbines and compressors. I have a beautiful daughter and a soon to be wife. I love to smoke meat for fun and in competition when I have free time.

KERRY ROYLE

Local 1009 Newfoundland

Growing up in the small town of Belleoram on the south coast of Newfoundland, myself like many others spent most of my spare time tinkering with anything I could get my hands on. From a young age I knew I wanted to be a mechanic. I'm currently an apprentice with 7500 of my logged hours working in the marine hydraulics field. Most recently I was employed by Lorneville Mechanical Contractors

SCAFFOLDING

CHRISTOPHER MITCHELL

Local 1985 Saskatchewan

I am from Regina and currently working at Yara Belle Plaine and have been there for 2 years. In March I received my Journeyman certificate for Scaffolding. I have worked at Mosaic K2, Husky Upgrader in Lloydminster, and Mosaic Belle Plaine. I enjoy building custom furniture for our house and spending time at our cabin. I have been married 17 years and have a 7 year old son. I hold Journeyman certificate in Carpentry that I received in 2017.

JORGE TAPIA

Local 1325 Alberta

I am originally from Chile, but I moved from Montreal to Edmonton. I am a Journeyman Scaffolder and have been working at Genesee for 7 years. Previously, I worked at Plains Midstream and Rogers Place in Edmonton. In my free time, I enjoy playing and watching hockey, riding my motorcycle, and spending time with family and friends. My biggest achievement is having a wonderful family, including a great 15 year old son and wife.

ALEXANDER THIELE

Local 1907 British Columbia

Alex is 25 and was born in Langley, BC. He ended up on Vancouver Island for 15 years before heading to Alberta to start his scaffold career in 2017. Alex currently resides in Surrey and joined Local 1907 in 2021 where he completed his apprenticeship training. His greatest achievement is having soon to be 5 amazing children and a beautiful wife. He has an old English bulldog named Smurf with 1 blue eye and 1 brown. Alex currently works for Fluor as a Journeyman/Foreman at the LNG Project in Kitimat. Alex enjoys going snowboarding in the winter and camping with the family in the summer.

SCAFFOLDING

KASSANDRA WARNOCK Local 1386 New Brunswick

Kassandra is Journeyperson Scaffolder, coming from just outside Sussex, New Brunswick. She spent the majority of her apprenticeship in an industrial setting at the Oil Refinery in Saint John. She now sits as the New Brunswick chair of the Sisters in the Brotherhood and New Boots Coordinator because of her dedication to getting the word out about skilled trades and helping women achieve their goals. As a multi generation Local 1386 member Kassandra has seen the true value of being a dedicated union member.

Apprenticeship Service Program

Good luck and congratulations to all contestants of the 2023 UBC National Apprenticeship Contest from the UBC Apprenticeship Service Program

For First-year Apprentices

Are you a first-year apprentice seeking employment? You can have a career in the skilled trades today. An apprenticeship will allow you to acquire valuable skills and experience in your chosen field.

With a shortage of skilled workers in Canada, we need more people working in the trades. By signing up with the Apprenticeship Service Program, you will get on-the-job work experience and open the door to existing career opportunities.

Funding is available for qualifying employers to hire a new first-year apprentice in one of 39 Red Seal trades, and you can be a part of this program. We will connect you with Small and Medium Enterprises that sign up for our program that are looking for new first year apprentices.

We need more women, persons with disabilities, Indigenous people, LGBTQ2+, and racialized Canadians to get into the Red Seal skilled trades. If you identify as one of these equity deserving groups, please fill out the self identification form along with your application.

Apply for the Apprenticeship Service Program today

For more information, please contact your local SME Coordinator or check out our website at www.ubc-asp.ca.

DRYWALL

DREW FARQUHAR

Local 18 Ontario

Drew is one of the most enthusiastic tradespeople you will meet, and he is thrilled to have the privilege of representing Local 18 this week. He has a constant drive to learn, works hard, and is a true builder at heart. A movie buff, a sports fan, but above all, a drywaller, Drew knows from Field of Dreams that “if you build it, they will come”.

KYLE HODDER

Local 675 Ontario

For as long as he can remember, Kyle has always had a passion for building. A career in the skilled trades seemed like the perfect fit, so Kyle spoke with his brother, a fellow tradesperson, about how to get involved. This conversation led to Kyle joining Local 675 as a drywaller in August 2019, and since then he’s never looked back. He is proud to have achieved his Red Seal status in July of last year. He and wife Olivia are expecting their first child in early July.

RICHARD J. PERRY

Local 1338 Prince Edward Island

Richard resides in Summerside, PEI and is a recent Red Seal Carpenter in the last year and works a a site foreman for Fitzgerald and Snow. His career started when he graduated from Highschool where he joined the carpenters union and worked his entire career with Fitz. RJ enjoys fishing, working on his cars, and spending time with his wife and children.

DRYWALL

JACOB ST-JEAN Local 380 Quebec

I became a drywaller in 2020. My father has a drywall company and he really inspired me to work in the trade. I am a proud worker and a grateful member of the UBC.

JOSEPH ZIBONA Local 83 Nova Scotia

My name is Joseph Zibona and I work as an ISM/Lather for Southeast Drywall in Halifax. I live in Dartmouth NS, and enjoy the work I do. I want to thank Jamie Swinamer and Southeast Drywall for helping me and mentoring me through my apprenticeship. I also want to thank my Local Union 83 for this opportunity, and want to wish all the competitors of the NAC the best of luck in this year's competition!

FLOOR COVERING

BRANDON LADOUCEUR

Local 93 Ontario

My name is Brandon Ladouceur. I was born and raised in Temiscaming Quebec. I've resided in Ottawa for the last thirteen years where I've been a floorlayer apprentice for the past eight with Local 93. Some of the projects I've been a part of include Parliament, National Arts Centre, CTC and Bank of Canada.

I am currently employed by Bousada Inc. Some of my passions include playing sports, dabbling into videos games, creating art and most things music.

TEAGAN LANSALL

Local 1541 British Columbia

Teagan is 24 years old and grew up in Abbotsford, BC. Teagan joined Local 1541 in 2019 and began his apprenticeship with the Union. Teagan is currently working with Groome Floor Covering as a Journeyman. In his spare time Teagan enjoys being outdoors and his hobbies include hunting and fishing.

KATELIN MACLEAN

Local 27 Ontario

My name is Katie. I entered a Floor Covering Apprenticeship with Local 27 in 2018. This is a second career for me, and the experience has been awesome. This apprenticeship and the union have connected me with many exciting opportunities, such as this competition. I love learning not only the hands-on skills but also the soft skills, like the importance of precision and quality.

FLOOR COVERING

STEPHAN SOLLENIUS Local 1541 British Columbia

Stefan is 36 years old and grew up in Vancouver, BC. Stefan joined Local 1541 in 2021 is currently working at the family business, Tec Floor Coverings. An interesting fact about Stefan is that he has a Masters in Sculpture from Concordia University in Montreal and has made many sculptures inspired by flooring.
